STUDENT CLOCK HOUR POLICY: The Board of Barbering & Cosmetology will only recognize time-clock punched hours of attendance. As a result of this requirement this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their class day and lunch period. You will be given up to seven (7) minutes to clock in and receive credit for the full class hour. This seven-minute period applies to starting of the class day only. Once theory classes have been started no one will be allowed to enter the theory classroom. In the event a student is tardy they may not clock in until theory has ended and may not clock in for the day past 11:00 a.m. At the completion of the day, a new time card is prepared from the current weekly time card.

The daily hours and operations earned are added to the totals in the prior column and final totals transferred to the cumulative column. These cumulative figures are then entered in the prior column on the weekly time card. Timecards must be signed by the student and the instructor daily, no pre-signing will be allowed.

A thirty-minute (30) lunch break shall be taken when a student attends a 6 hour class day or more. If you are attending less than a (6) hour class day and desire to take a lunch break (30 minutes), then the half hour must be deducted from your daily total and you must clock in/out on your time card for the lunch break. **If you fail to clock out for lunch after attending school for 6 hours then you will only be granted time of 6 hours for the entire day. Instructors may not sign a student in or out.** The weekly time card reflects the student's daily record of hours and operations. It is important that all of your hours and operations are recorded properly and accurately. The attendance personnel must be able to read your time card so that the hours and operations are transferred correctly to the roster. If an error is made on the time card, correcting the mistake will require that a line be drawn through the error, the student & staff member must date and initial the correction(s).

The time cards are the property of the school and must remain in the school at all times. After clocking in you are required to maintain applied effort, personnel grooming, leaving the building, reading material not related to your training or activity not related to your training is not tolerated. If this occurs you will be ask to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in your termination.

TIME CARD CREDIT: The following is a guideline for the instructor to issue credits. Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category... The portion of the time card reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated. The portion of the time card concerning operations is to be applied efforts of the students as they manually perform practical subject. Some practical operations may take longer to perform according to the student. **Note:** The following time frame is considered by The Board of Barbering & Cosmetology for each operation. Shampoo/set = 1 1/2 hours, Scalp Treatment = 1/2 to 1 hour Permanent Wave = 2 to 2 1/2 hours, Facial = 1 1/2 to 2 hours, Manicure = 1/2 hour Hair cut = 1/2 to 1 hour. Using this scale, the Board would understandably not consider a student capable of performing more than three permanent waves per day.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

STANDARDS: This institution expects all students to maintain Satisfactory Academic Progress (SAP) as established by this institution, the student must:

1. Maintain a cumulative academic average of "C" (70%) or better on all tests, work projects (operations) and other required course work.
2. Maintain a cumulative average attendance level of at least two-thirds (2/3) (67%) of the scheduled hours indicated on their enrollment contract. For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 20 hours per week ($2/3 \times 30 = 20$) regardless of the average level of attendance. Students that are attending the course programs whom have more than 2 weeks (14 calendar days) of consecutive absences will be dismissed. This standard shall apply to all students except those on a medical approved Leave-of-Absence (see LOA policy). Students who expect to be absent 14 or more days will be dismissed and need to contact the FA office. In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed. These policies are outlined elsewhere in this catalog School Rules pages 11-12'.
3. Complete the course within one and one-half (1-1/2) times the length of the course as defined in the enrollment agreement. For example, if the student has contracted to complete the course within 40 weeks, he or she must complete within 60 weeks. Students that do not complete their course of study within the 150% time frame will be dismissed.
4. Students must meet minimum academic (70%) and attendance (67%) requirements at the end of each payment period of the course to be considered as meeting satisfactory progress until the next evaluation period.
5. All students will be provided a copy of their completed SAP evaluation form at the conclusion of their SAP counseling.

EVALUATION PERIODS: Evaluations will be performed for all students based on the US Department of Education Regulations and definition of an Academic Year and will be performed at the end of each payment period. USDOE defines an academic year as being 900 clock hours & 26 calendar weeks, a payment period is defined as 450 clock hours & 13 calendar weeks per period. Based on the above definition the Cosmetology course will contain two (2) 450 clock hours payment periods & 26 weeks = 900 clock hours & 26 weeks and the remaining 700 hours of the course will be prorated and contain (2) 350 hour payment periods = 700 clock hours & 22 calendar weeks. Based on the above definition the Barbering course will contain two (2) 450 clock hours payment periods & 26 weeks = 900 clock hours & 26 weeks and the remaining 600 hours of the course will be prorated and contain (2) 300 hour payment periods = 600 clock hours & 18 calendar weeks. Using the above definition(s) the following schedule will be followed for determining when the student will be evaluated: **The evaluations(s) will be performed based on when the student actually reaches the end of each payment period. Based on Full-time enrollment status. Part-time enrollment status will be calculated based on the above formula.**

Cosmetology: PP (1) 450 hours & 13 calendar weeks, PP (2) 900 hours & 26 calendar weeks, PP (3) 1250 hours & 37 calendar weeks and PP (4) 1600 hours & 48 calendar weeks. Based on Full-time enrollment

Barber: PP (1) 450 hours & 13 calendar weeks & PP (2) 900 hours & 26 calendar weeks, PP (3) 1200 hours & 35 calendar weeks and PP (4) 1500 hours & 44 calendar weeks. Based on Full-time enrollment

Cosmo/Barber Crossover: The first evaluation will be conducted at the midpoint of the course 100 clock hours and the final evaluation will be conducted at 200 hours.

In the event a student reaches his/her scheduled graduation date and has hours remaining to complete, the student will receive additional evaluations; either at the time the student is scheduled to reach each additional 450 or 350-300 clock hours depending on the course, or at the time of actual completion of the remaining hours, whichever occurs first.

WARNING: Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION: Students who fail to meet minimum requirements for attendance or academic progress after the warning period may be placed on probation and considered to be making satisfactory progress while during the first probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Progress Policy standards by the end of the evaluation period may be placed on probation. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

APPEAL PROCEDURES: Students must initiate the Appeal Process. Students who wish to appeal the decision that they are not making Satisfactory Academic Progress must submit a written request to the institution's administrator. The letter should be received within (15) days prior to the start of the probationary period (for the evaluation period in question) and must describe any circumstances related to the student's academic standing which the student believes deserve special consideration. The basis that a student can file an appeal: The death of a relative of your immediate family, an injury or illness of the student or a relative of your immediate family, (Immediate family relative defined as Grandparents, Parents, Brother(s), Sister(s), Spouse and Children) or other special circumstances; To file an appeal you have to have experienced a death in the family (providing a death certificate), an injury or illness (supported by a physician statement) or other special circumstance that can be documented. The appeal must also state your own explanation describing the reasons for your failure to make SAP and changes made to those circumstances that would allow you to focus and regain your satisfactory status. The administrator shall evaluate the appeal within a reasonable time frame (5-10) days and notify the student in writing of the administrator's decision prior to the beginning of the current probationary period. Should the student's appeal be denied, he or she may appear before a school committee to present his or her case. The committee shall provide written notice to the student of its decision (a copy of the decision will also be retained in the student's file) within a reasonable time frame (5-10 days). The decision of the committee shall be final. A student that prevails upon the appeal process, re-entering the program after an interruption of training, or having re-established satisfactory progress, and determined to be making satisfactory progress will be re-entered in the course and financial aid funds will be reinstated to the student. Students accepted for re-entering the program that previously were not making satisfactory progress must attain a satisfactory progress status by the next scheduled evaluation.

RE-ESTABLISHMENT OF SATISFACTORY PROGRESS & TRANSFER HOURS: Students may re-establish satisfactory progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the probationary period. Transfer hours from another institution that are accepted towards your current educational program will not impact your current SAP as they are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours of the institution.

INTERRUPTIONS, COURSE IN-COMPLETES, WITHDRAWALS: Course in-completes, repetitions and non-credit remedial courses have no effect upon the student's satisfactory academic progress. If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

LEAVE OF ABSENCE: We do allow a Leave of Absence for students that may experience a severe medical or legal problem(s) which may make it difficult for them to attend class. The institution may allow a student under such medical or legal circumstances to take a Leave of Absence (LOA) from the program for up to 180 days in a 12 month period. The LOA must be requested in writing and signed by the student and must include verifiable medical or legal documentation and must be approved by the school FA Director. LOA's that are not requested in advance due to unforeseen circumstances will be granted once the situation is verified by the FA and the documents necessary to back up the student file shall be provided from the student at a later date. FINANCIAL AID MECHANISM

Financial aid is a mechanism that reduces out-of-pocket costs that students and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. Loans usually have low interest rates and must be repaid in accordance to the individual loan program terms. Most of the loans can be arranged to require payment after a grace period of several months upon graduation, or upon the student’s termination from the program or if a student’s attendance falls below half time. Financial aid is awarded to students who have “need”. Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

APPLICATION PROCEDURES AND FORMS: Financial aid applications for this institution consist of the following: Free Application for Federal Student Aid (FAFSA) this form needs to be completed as instructed on the form. Using FAFSA on the Web provides the student and/or parents the ability to use the IRS retrieval tool to obtain tax information from the IRS on completed taxes. Documentation to substantiate the data entered on the form may be required by the financial aid office. Forms and assistance in completing them are available at this school during school hours. In addition to the FAFSA, the institution requires a series of forms as they apply to the individual student aid

program and to the student's individual family circumstances. The FAFSA may be filed on paper and delivered to the school or the student and parents may go to FAFSA on the Web.

Deadline: FAFSA applications must be received by June 30 in the year on which the application is intended for. SAR or ISIR must be submitted to the financial aid office by September 30, of the award year from which aid is requested from, or your last day of enrollment in 2017, whichever comes first. A valid ISIR requires signatures of student, spouse and/or parents, when the ISIR has been corrected. You may apply during the enrollment process, using the FAFSA form. The school will provide you a letter listing the amount and types of financial aid you will be awarded, including the FSEOG award.

Renewal Process: A FPELL Grant award is received for one award year (July 1 to June 30 of the following year), and **is not** automatically renewed for the next award year. Students must re-apply for the FPELL Grant and submit a copy of the **new** SAR or ISIR to the financial aid office for each award year.

Maximum Annual Award: \$5,815 for 2017 (one academic year in two equal payment periods)

Maximum Lifetime Eligibility Used for Pell 600%. A student's maximum amount of Pell Eligibility is 6 scheduled awards, as measured by the percentage of "Lifetime Eligibility Used"(LEU) field in COD (one scheduled award equals 100% LEU)

Federal William D. Ford Direct Loan Program. (CURRENTLY WE DO NOT PARTICIPATE IN ANY OF THE FEDERAL LOAN PROGRAMS). IF YOU GET A STUDENT LOAN YOU ARE RESPONSIBLE FOR REPAYING THE LOAN AMOUNT PLUS ANY INTEREST, LESS THE AMOUNT OF ANY REFUND, AND THAT, IF THE STUDENT RECEIVES FEDERAL STUDENT FINANCIAL AID FUNDS, THE STUDENT IS ENTITLED TO A REFUND OF THE MONEY NOT PAID FROM FEDERAL FUNDS.

DISBURSEMENT: They are made based on per payment period via a check payable to the student or via a direct credit to the student's tuition account. Federal Supplemental Educational Opportunity Grant (FSEOG) Funds received under this program are not subject to repayment from the student.

DEADLINE: DISBURSEMENT: Made based on per payment period via a check payable to the student or via a direct credit to the student's tuition account. Priority for FSEOG funds will be given to students eligible for Pell Grant and have a zero (0) EFC first. This institution has a year-round enrollment. Therefore, funds will be awarded in a manner that funds would be available to students enrolling throughout the entire year. If SEOG funds still available, a second priority will be given to students having a higher EFC or Non Pell recipient students with the lowest Expected Family contributions enrolled during the last three months. For additional information on Federal Financial Aid programs, request "The Student Guide" published by USDOE.

TREATMENT OF TITLE IV FUNDS IF THE STUDENT WITHDRAWS FROM THE COURSE OF STUDY:

As of 10/07/00, Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the course of study. Simply stated, if the student withdraws before the sixty percent of the payment period in the course, student would have earned only 50% of the aid received or eligible to have received. To determine the percentage completed, the scheduled hours of class hours will be divided by the total hours in the payment period. Please note: Effective 07-01-06 the refund calculation will be based on the scheduled hours a student is contracted for rather than the actual hours attended on the last day of attendance according to the enrollment agreement. Unearned aid will be returned to the program(s) in accordance to the guidance described in the regulations. Withdrawing students will be responsible for institutional charges not covered by student aid. Delinquent school accounts will be assigned to a collection agency. Collection agency expenses will be added to the balance owed to the school.

DETERMINING NEED The information you report on the FAFSA form when you apply for aid, is used in a formula established by U.S. Congress that calculated your Expected Family Contribution.

This form will be processed by a contractor of the U.S. Department of Education at no cost to the student. The results will be provided in the form of an Electronic Student Aid Report with the calculation of the Expected Family Contribution. A SAR will be mail to the student and an ISIR to the institutions listed on the FAFSA. Both forms will provide the Expected Family Contribution (EFC) that will be used against the student Cost of Attendance (COA), the difference between these two is what is called student Need. Nine Month Student Expense budget for the 16-167Academic Year.

This institution uses the annual budgets published by the **CALIFORNIA STUDENT AID COMMISSION.** The estimate amount it will cost a student to go to school during an academic year of approximately 9 months is stated below.

Elements included in the budget: Tuition: Actual cost, Registration Fee: Actual cost, Books and supplies: \$1,791 per academic year.

Total institutional cost: Total. Living cost allowance (2016-2017) Sample uses a nine months period):

Living arrangements while in school	With parents	On Campus	Off campus
Room and board (food)	\$552 mo. x 9=\$4,968	Actual cost	\$ 1,388 mo. x 9 = \$12,492
Transportation	\$123 mo. x 9=\$1,107	93 mo.	\$ 138 mo. x 9 = \$1,242
Personal/misc.	\$353 mo. x 9=\$3,177	259 mo.	\$ 324 mo. x 9 = \$2,916

(The cost of uniforms is included in the personal allowance or included in the school charges)

VACCINATION POLICY: We do not have a policy but all students must have their required vaccinations up to date and it is the students responsibility to maintain their vaccination schedule.

AWARD CONCEPT, SELECTION OF RECIPIENTS AND PACKAGING CRITERIA

This institution does not receive enough Campus-Base funds to satisfy all the student financial needs. Therefore, the school emphasizes the **SELF-HELP CONCEPT** of student financial assistance.

The **SELF-HELP CONCEPT** is on a first-come, first-served basis when awarding eligible applicants. If the student does not wish to assume the combined debt of two or more loans, they may decline any loans offered by the school.

ALL LOANS MUST BE REPAID.

The **SELF-HELP CONCEPT** lists types of financial assistance in the following order:

1. Family contributions
2. Other resources
3. Federal PELL Grant
4. Self Help (Stafford and/or, PLUS Loans)

The school awards from the Federal Supplemental Educational Opportunity Grants in accordance with the following policy: The institutional participation in the Federal Educational Opportunity Grant is limited to the amount of funds given to the institution for an entire award year. (July 1 to June 30).

Due to the **limited** amount of funds available to the institution, it is literally impossible to award FSEOG to all students applying for aid. Therefore, the institutional policy to select

FSEOG recipients is as follows: This institution has a continuing enrollment process in which students may start each Tuesday of each week or Wednesday when Tuesday is an observed Holiday. In order to ensure a fair distribution of funds through the entire award year, the institution will make SEOG awards using data from the year proceeding the current year, by using student enrollment, EFC and Pell Grant data to determine how to distribute the SEOG funds available. Based on last year's data, the institution expects an enrollment of 60 new students meeting the "exceptional need" criteria to be enrolled during the 7/1/16 to 6/30/17 period. Therefore, the awards to those students will be up to \$200.00 through the entire period and may be increased up to \$300.00 depending on the availability of funds. As of July 1, 2016 the first selection of SEOG recipients will be made from students with "exceptional need". Students with "exceptional need students" are defined by this institution as students that have an expected family contribution (EFC) that will otherwise be eligible for the FPELL Grant Program during the same award year. If enrollment figures change, and/or additional funds become available to the institution, a second selection will be made from those students ineligible for the FPELL Grant Program with the lowest expected family contribution that enrolled during the last quarter of the award year (March to June). Both selections will be made from students, whose file has been completed, with no issues pending regarding the students' eligibility for Federal Aid. Incomplete files will not be considered in the selection criteria due to possible lack of documentation. Awards will be made as long as funds are available throughout the award year. It is our institutional policy to protect our students from incurring unnecessary loan debts, therefore students are carefully interviewed during the enrollment process to secure that the students will utilize any available funds available to them to meet their educational expenses (school charges, transportation, personal or child care) before a need for loans be included in their financial aid package).

DEFINITIONS: The following definitions correspond to some common terms used within the financial aid terminology:

ACADEMIC YEAR: A period of not less than 26/30 weeks of instructional time with a minimum of 900 clock hours of instruction for a full time student. The midpoint of the academic year shall be a minimum of 13/15 weeks and at least 450 clock hours. In effect, all students enrolled in courses with an academic year schedule to be completed in less than 26 weeks, regardless of the number of clock hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours in the course of study in relation to the academic year.

CLOCK HOUR: A 50 to 60 minutes of supervised instruction during a 60 minutes period.

CREDIT BALANCE: A credit balance occurs when tuition payments have been received by the institution in excess of the amount of charges assessed to the student. Credit balances are paid within 14 business days from the day the credit balance was generated. Students must be responsible for budgeting their own funds and for securing that the funds are used for education related expenses.

DEPENDENT STUDENT: Is an individual that does not meet the independent student criteria. This student is required to submit with his/her application, student and parents' income and assets data.

DEPENDENT: Is an individual other than the spouse that has been supported and will continue to be supported (50% or more of that individual personal expenses) by the student and/or spouse. If that individual is and will continue to be supported by the student parent(s), that individual would be a dependent of the parent(s) **NOT** a dependent of the student.

FAMILY CONTRIBUTION (EFC): The calculated amount that a family contributes to offset the student cost of attendance.

FINANCIAL AID ELIGIBILITY CITIZEN/ELIGIBLE NON-CITIZEN:You must be one of the following to receive federal student aid: U.S. Citizen, U.S. National, U.S. Permanent resident; who has an I-551 or I-551C (Alien Registration receipt card). Arrival Departure Record (I-94) from the Department of Homeland Security showing one of the following designations: **This documentation must have a valid date and not be an expired document.**

Refugee, Asylum Granted, Parole for a minimum of one year that has not expired, T-Visa holder (T-1, T-2, T-3etc), Cuban-Haitian entrant, Holder of a valid certification or eligibility letters from the Department of Human Services showing a designation of “Victim of Human Trafficking”.

IF YOU ARE IN THE U.S. UNDER ONE OF THE FOLLOWING CONDITIONS, YOU ARE NOT ELIGIBLE FOR FEDERAL AID:

- F1 or F2 student visa
- J1 or J2 exchange visitor visa only
- G series visa (pertaining to international organizations)

INDEPENDENT STUDENT: An individual who meets one of the following criteria: Item numbers correspond to the 2016-2017

1. (46) Was born before January 1, 1993?
2. (47) Married (answer yes if separated but not divorced)
3. (48) As of July 1, 2015 will be graduate or professional student?
4. (49) Currently serving on active duty in the U.S. Armed Forces for the purposes other than training?
5. (50) Veteran of the U.S. Armed Forces?
6. (51) Have or will have children who will receive more than half of their support from you between July 1, 2016 and June 30, 2017?
7. (52) Do have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2017?
8. (53) At any time since you turned age 13, were both your parents deceased, were you in foster care or were you a dependent or ward of the court?
9. (54) As determined by a court in your state are you or were you an emancipated minor?
10. (55) As determined by a court in your state of legal residence, are you or were you in legal guardianship?
11. (56) At any time on or after July 1, 2015, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?
12. (57) At any time on or after July 1, 2015, did the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless?
13. (58) At any time on or after July 1, 2015, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

PARENT(S): For the purposes of the financial aid programs, “a parent” is the mother and/or father or adoptive parents, stepparent or legal guardian - not foster parents.

DISLOCATED WORKER: A dislocated is a person that meets all of the following requirements:

- He was terminated or laid off from employment or received a notice of termination or layoff;
 - He is eligible for or has exhausted his unemployment compensation, **or** he is not eligible for it because, even though he has been employed long enough to demonstrate attachment to the workforce, he had insufficient earnings or performed services for an employer that weren’t covered under a state’s unemployment compensation law; **and**
 - He is unlikely to return to a previous industry or occupation.
2. A person who was terminated or laid off from employment or received a notice of termination or layoff as a result of any permanent closure of, or any substantial layoff at, a plant, facility, or enterprise.
 3. A person who is employed at a facility at which the employer made a general announcement that it will close within 180 days.
 4. A person who is employed at a facility at which the employer made a general announcement that it will close.
 5. A self-employed person (including farmers, ranchers, or fishermen) who is unemployed because of natural disasters or because of general economic conditions in his community.
 6. A displaced homemaker, someone who meets all of the following requirements: • she has been providing unpaid services to family members in the home; • she has been dependent on the income of another family member but is no longer supported by that income; **and** • she is unemployed or underemployed and is having difficulty obtaining or upgrading employment. An “underemployed” person is one who is working part time but wants to work full time or one who is working below the demonstrated level of her education or job skills. Not everyone who receives unemployment benefits will meet the definition of dislocated worker. For example, in general those who quit their jobs are not considered dislocated workers, even if they are receiving unemployment benefits.

PAYMENT PERIOD: 450 hours and 13 weeks for courses of 900 hours or more. It is the mid-point of the program for courses of less than 900 hours and 26 weeks.

EVALUATION PERIODS: Student receiving aid from Title IV Aid Programs must be in compliance with the Satisfactory Academic Progress Policy at the end of each payment period of the course. A payment period is at least half of the academic year in instructional weeks or clock hours, semester credits, trimester credits or quarter credits. Both, instructional weeks must have elapsed and credit/clock hours must have been completed in order for the payment period be considered completed.

SAMPLE CHART BELOW IS BASED ON AN ACADEMIC YEAR DEFINED AS 900 CLOCK HOURS AND 26 WEEKS.

Course	1 st Payment Period		2nd Payment Period		Weeks	3 rd Payment Period		4 th Payment Period	
	Hours	Weeks	Hours			Hours	Weeks	Hours	Weeks
Cosmetology	1-450	13	451-900		14-26	901-1250	27-36	1251-1600	37-46
Barber	1-450	13	451-900		14-26	901-1200	27-36	1201-1600	37-46

On a credit hour program, the number of semester/trimester credits is 24 credit hours, in a quarter system it will be 36 quarter credit hours and in both cases the number of instructional weeks would be not less than 30 weeks.

If at the end of a payment period the student fails to maintain a passing grade point average or failed to successfully complete the clock hours, semester/trimester or quarter credit hours percentage required to maintain a progress level that would allow the student to complete the course within the maximum time frame in the course, as published, the student would be placed in a financial aid warning SAP status. The student will be eligible for financial aid funds for one subsequent payment period.

If at the end of a payment period under financial aid warning status, the student fails to make the grade or fails to successfully complete the cumulative number of hours (clock, semester/trimester or quarter) percentage that would allow the student to complete the course of study within the maximum time frame as published, the student will be placed in an ineligible status for financial aid funds. At this point the student will be informed by the institution of his/her ineligibility for future financial aid funds. The student will also be informed of the steps to take to initiate an appeal process.

NEED: Financial need is the amount left over after subtracting the expected family contribution from your cost of attendance.

WITHDRAWALS: Students are officially withdrawn on date of notification, date terminated by the institution, date of three consecutive weeks of absences or date when the student failed to return from an approved leave of absence.

RECOVERIES: Recoveries resulting from unearned Title IV funds due from the student must be paid in accordance to the terms stated in the promissory note of the student loans. If funds from the grant programs still due from the student, those funds are payable at the rate of 50%. Grant funds due from the student must be repaid within 45 days from the student's withdrawal date. Students may make repayment arrangements with the U.S. Department of Education within 45 days from the student's withdrawal and present proof of such arrangements to the institution. If no repayment is received nor arrangements are presented, the institution will refer the debt to the U.S. Department of Education. The student will no longer be eligible for aid until informed by U.S. Department of Education.

REFUNDS: In any case where a refund is due to the Title IV Programs, the payment of the refund will be made within 45 days from the official withdrawal date in the following order: FDirect, FPELL FSEOG, other sources and to the student. This order will be applied providing the student received funds from that program and in amounts not to exceed the amounts originally paid from each program.

TRANSFER STUDENT: A student, who attended a Post-secondary institution before the enrollment at **JWIBBC**, is no longer required to obtain a Financial Aid Transcript **from each** of the institutions attended within the last six months before the enrollment at this institution. However all institutions must have a registered password with NSDLS.

Institutional Verification Policy and Procedures

What is verification? The verification process is a process where the institution will require the student/spouse/parent to provide documentation to support the data reported on the FAFSA and printed on the SAR/ISIR. It is anticipated that about 30% of the students will be selected for verification by the United States Department of Education (USDE) via its contractor (CPS) or by the institution's Financial aid Office.

How do I know that my application has been selected

The verification flag will have a value of “Y,” and next to the EFC will be an asterisk referring to a comment in the student section of the SAR that tells applicants they will be asked by their school to provide documentation.

For 2016–2017 verification tracking flags will place the student in one of six verification tracking groups, which will be explained later. The institution must verify any information in which there is a reason to believe it is incorrect on any application. Students with these applications are considered to be selected for verification by your school even though you may not be verifying the same data as for CPS-selected applications.

The institution, at its discretion, may require a student to verify any FAFSA information and to provide any reasonable documentation in accordance with consistently applied school policies. Regardless whether the application was selected by CPS or by the institution, all other verification requirements, such as deadlines and allowable tolerances and interim disbursement rules, apply equally to all students who are being verified.

What Items need to be verified? Once the student is placed in a group, each group contains different items that need to be verified.

Verification tracking groups

Students who are selected for verification will be placed in one of the six following groups, V1, V2, V3, V4, V5, & V6. The group determines which FAFSA information must be verified for the student. The data to be verified would correspond to the data reported by the student, the student spouse and, or, if applicable, the parent whose data was also included in the FAFSA.

Verification tracking groups

The data to be reviewed will correspond to the data required in each of the following groups:

- V1 **Standard Verification Group.** Tracking flag V1
- V2 Non Applicable
- V3 **Child Support Paid Verification Group.** Tracking flag V3.
- V4 **Custom Verification Group.** Tracking flag V4.
- V5 **Aggregate Verification Group.** Tracking flag V5.
- V6 **SNAP Verification Group.** Tracking flag V6.

Who can be excluded from the verification process? Death of the student. Not an aid recipient.

The applicant is eligible to receive only unsubsidized student financial assistance

Applicant verified by another school. The student provides documentation that he/she completed the verification process for the current award year at another school before transferring.

The FAFSA data must be the same as it was at the previous school, and you must get a letter from that school stating that it verified the application and has provided the transaction number of the pertinent valid ISIR.

Post enrollment. The student was selected for verification after ceasing to be enrolled at your school and all (including late) disbursements were made. Unless the FAO has a reason to believe it is inaccurate, you don't have to document the reported FAFSA information of the parents of a dependent student if any of the following apply: Both of the parents are mentally incapacitated.

They are residing in a country other than the United States and can't be contacted by normal means.

They can't be located because the student does not have and cannot get their contact information.

Unless the FAO has a reason to believe it is inaccurate, you don't have to document the reported FAFSA information of the spouse of an independent student if any of the following apply:

The spouse has died.

He/she is mentally incapacitated.

He/she is residing in a country other than the United States and can't be contacted by normal means.

The spouse can't be located because the student does not have and cannot get the spouses' contact information.

What documentation is needed? Documenting Family income and tax paid: The Department encourages students and parents to use of the FAFSA/IRS Data Retrieval Tool (IRS DRT). For the retrieved data to be acceptable documentation of tax data, it is necessary that neither students nor parents change the data after it is transferred from the IRS—if the data was changed or if your FAO has a reason to believe the data transferred is incorrect, the student will need to provide other documentation as explained below. The IRS request field(s) on the ISIR will have a value of "02" when the data is unchanged. If students cannot or will not use IRS Data Retrieval, either at initial FAFSA filing or through the FOTW correction process, they must document AGI, taxes paid, and untaxed income by providing an IRS tax return transcript for the student and spouse or parents, as applicable.

Under the following conditions the IRS Data Retrieval is **not** available in FOTW (all apply to both students and parents unless otherwise noted):

The person did not indicate on the FAFSA that the tax return has been completed.

The marriage date is January 2016 or later.

The first three digits of the SSN are 666.

The tax return was amended.

The person filed a Puerto Rican or foreign tax return.

The person is married and filed the tax return either as head of household or married but filing a separate return.

Neither married parent entered a valid SSN.

A non-married parent or both married parents entered all zeroes for the SSN.

Tax filing extension: For students and parents who have been granted a tax filing extension, need to present a copy of IRS Form 4868, Application for Automatic Extension of Time to File U.S. Individual Income Tax Return. Must also provide a copy of all their W-2 forms or, if they are self-employed, a signed statement with the amount of their AGI and their U.S. income taxes paid.

You may be requested to use the DRT or submit to your school a tax transcript after the return has been filed. If you do that, you must re-verify the income information.

Non-Tax filers: For non-tax filers you must receive a W-2 form for each source of employment income. You must also get a signed statement providing the sources and amounts of the person's income earned from work not on W-2s and certifying that the person has not filed and is not required to file a tax return.

Residents of Pacific Islands: For residents of the Freely Associated States (the Republic of the Marshall Islands, the Republic of Palau, or the Federated States of Micronesia), a copy of the wage and tax statement from each employer and a signed statement identifying all of the person's income and taxes for the year is acceptable.

Persons from a foreign country not required to file a tax form: Persons from a foreign country who are not required to file a tax return can provide the signed statement certifying their income and taxes paid.

Missing W-2 forms: If a person who is required to provide a W-2 form can't do it timely, you may be permitted to submit a signed statement with the amount of the income earned from work, the source of that income, and the reason the W-2 form is not available in time.

Persons filling foreign taxes: When a person filed a non-U.S. tax return, obtaining an IRS tax return transcript is not possible. In those cases you may accept instead of the transcript a copy of the tax return, which must be signed by the filer or one of the filers of a joint return, and you must document the circumstances.

Use the income and tax information that most closely corresponds to the information on the IRS tax return, and convert monetary amounts into U.S. dollars as appropriate.

Electronic signatures: On the few occasions that a tax return was used to complete verification, your school can accept an electronic copy of the return that has been electronically signed provided your school's process for accepting such signatures complies with the Electronic Signatures in Global and National Commerce (ESIGN) Act. **But a signature on Form 8879, the IRS e-file Signature Authorization, is not an acceptable substitute for a signature on the tax return.**

Tax Preparers: For persons who have a tax professional prepare their return, instead of a copy of the return with the filer's signature, your FAO may accept one that has the name and Preparer Tax Identification Number (PTIN) of the preparer or has his SSN or EIN and has been signed, stamped, typed, or printed with his name and address. Note that the IRS requires paid preparers to have a PTIN.

When a tax return transcript is unavailable: When the tax filer requests an IRS tax return transcript and is unsuccessful, she can use a signed copy of the 2015 tax return (Form 1040, 1040A, or 1040EZ) for verification. She must also provide your school with one of the following:

- if she tried to get the transcript using the paper Form 4506-T or 4506T-EZ, a copy of the response (which she must sign) mailed to her informing her that the IRS could not provide the transcript; or
- if she tried to get the transcript using the Internet, a signed copy of a screen print from the official IRS webpage showing a message that the transcript request was unsuccessful. Because the IRS does not send written confirmation of the failure of a transcript request using the telephone, there is no documentation alternative for that method. Affected tax filers **must** request a tax return transcript using either the online or paper method and, if unsuccessful, provide your school with the above noted documentation. In addition to the documentation already specified, the tax filer must also provide your school with a completed and signed IRS Form 4506-T or 4506T-EZ that includes on line 5 the name, address, and telephone number of your school as the third party to whom the IRS is to mail the tax return transcript. If the school has no reasonable doubt about the accuracy of the information on the copy of the tax return, your school should proceed with verification and simply place the 4506 form in the student's file rather than sending it to the IRS. However, if the school has a reason to believe that the information on the tax return may not be accurate, **your school must**, before verification can be completed, send the Form 4506-T or 4506T-EZ to the IRS and wait for the return of the transcript or confirmation from the IRS that a transcript is not available for that tax filer. See the 11/2/12 electronic announcement for more information

Requesting a tax transcript: There are a few ways to request a tax transcript: online at www.irs.gov, by calling 1-800-908-9946, or by mailing or faxing the paper Form 4506T-EZ, which can be printed out from the IRS website on www.ifap.ed.gov for specific instructions.

Filing an amended return: Students or parents who file an amended return cannot use the IRS DRT, and if they amend the return after using the DRT to fill out the FAFSA, the FAO cannot rely on that data. Instead, you will need to use information from these documents to complete verification:

1. a signed copy of the IRS Form 1040X that was filed **and**
2. a signed copy of the original tax return that was filed, a tax return transcript (which does not have to be signed), or any IRS transcript (such as a return transcript for taxpayer or RTFTP) that includes all the income and tax information required to be verified: AGI, income tax paid, education credits, etc.

Household size: To document the household size, the student needs to provide a signed statement and, if dependent, at least one parent that gives the name, age, and relationship to the student of each person in the household. You don't have to verify household size in the following situations:

- For a dependent student, the household size reported is **three** for married parents or **two** for a single, divorced, separated, or widowed parent.
- For an independent student, the household size reported is two if he is married or one if he is single, divorced, separated, or widowed.

Number in college: You can document this item with a statement signed by the student (and, if e is dependent, at least one parent) that gives the name and age of each person in the household who is enrolled at least half time in an eligible college (excluding, of course, the parents of dependent students). The statement must also give the name of each college, and it can be written to document household size as well. Completion of the Department's verification suggested text can satisfy both items.

If your school has a reason to doubt the enrollment information reported, your school must obtain from each school a statement that the named person will attend there on at least a half-time basis. Your school would not have to get such a statement if the person has not yet registered, is attending less than half time, or will be attending your school.

If your school has a reason to doubt whether a reported school is Title IV-eligible, your school must insure it is, such as by checking to see if it has a federal school code.

SNAP benefits (food stamps): If the ISIR shows that someone in the parents' or student's household received SNAP benefits in 2014 or 2015, the student must provide a signed statement indicating receipt of the benefit. If your school has a reason to doubt the receipt of SNAP benefits, your school may require the student to show documentation from the agency that supplied the benefit or alternative documentation you find sufficient.

Child support paid: If the ISIR shows that the student or parent paid child support in 2015, the student must provide a statement signed by him/her or, if he/she is a dependent, either parent and giving the annual amount of the support, the names of those who paid it and whom it was paid to, and the name(s) of the children for whom it was paid. If your school believes the information in the signed statement is inaccurate, the student must provide documentation such as a copy of the separation agreement or divorce decree that shows the amount of child support to be provided, a statement from the person receiving the child support showing the amount provided, or copies of the child support checks or money order receipts.

If the student reports on verification and documents that the spouse, or a parent paid child support but did not report that on his/her FAFSA, you must resolve the conflict. However, if the student was eligible for an automatic zero EFC, the child support paid question would not have been presented on FAFSA on the Web; as long as the student is still eligible for an auto zero EFC, there is no need to correct the child support field on the application.

High school completion

Students must provide one of the following documents that indicate their high school completion status at the beginning of the 2016–2017 year:

- A copy of a high school diploma.
- A copy of a final, official high school transcript that shows the date when the diploma was awarded.
- A copy of a General Educational Development (GED) certificate or GED transcript.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable **for full credit toward a bachelor's degree.**
- A copy of a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent) if state law requires homeschooled students to obtain that credential.
- A transcript or the equivalent, signed by the parent or guardian of a homeschooled student that lists the secondary school courses the student completed and documents the successful completion of a secondary school education in a homeschool setting.

Students who are unable to get one of the documents listed above must contact the financial aid office.

Identity and statement of educational purpose

Students should appear in person at the school and present a valid, government-issued photo identification (ID) such as a passport or a driver's license or other state-issued ID.

Your school must maintain an annotated copy of that ID that includes the date it was received and the name of the person your school authorized to receive it. Students must also sign a statement of educational purpose that certifies who they are and that the federal student aid they may receive will only be used for educational purposes and for the cost of attending the school for the 2016–2017 year. A student who is unable to appear at the school must sign and submit the statement of educational purpose, and he must submit a copy of his ID with the statement signed by a notary public confirming that the student appeared before her and presented the ID confirming his identity.

Updating Information: Generally, a student cannot update information that was correct as of the date the application was signed. After the FAFSA is signed, only certain items can be updated under the conditions given below.

1. All applicants whose dependency status changes must update that status and the associated FAFSA information throughout the award year **except** when the update is caused by a change in the student's marital status.
2. All applicants selected by the Department or a school for verification of household size or number in college must update those numbers to be correct as of the date of verification **unless** the update is due to a change in the student's marital status. At your schools' discretion your school may update under either 1 or 2 even when the update is due to a change in the student's marital status if you deem it necessary to address an inequity or to reflect more accurately the applicant's ability to pay.

Verification forms, documentation: Be sure that the institutional verification document is signed, that all required sections are completed, and that the relevant tax or alternative documents are attached. Timing of signatures: Any required signatures, such as signatures on worksheets or on copies of tax returns, must be collected at the time of verification—they can't be collected after the verification deadline for that award year.

Interim Disbursements: If the student is selected for verification on the original ISIR, Interim disbursements ARE NOT allowed prior to the completion of the verification process. If selected on subsequent ISIR, the student will not be eligible for additional aid until the verification process is completed. NOTE: In the 15-16 Handbook, the Department allows disbursements prior to verification, however, many times a verification stays incomplete, therefore the funds disbursed would become a liability to the institution. NO DISBURSEMENTS BE MADE PRIOR TO VERIFICATION.

How to submit corrections and updates: Corrections and updates can be submitted by the student on the SAR or the Web or by the school using FAA Access to CPS Online or the Electronic Data Exchange (EDE).

Using FAFSA on the Web (FOTW). Any student who has a PIN—regardless of how he originally applied— may correct any of his own data by using FAFSA on the Web at www.fafsa.gov. If dependent students need to change parental data, a parent must either sign electronically with her own PIN or print out and sign a signature page.

Deadlines and failure to submit documentation: Students selected for verification—whether by your school or by the Department—need to submit the documentation by the 60th day after student's last day of recorded attendance or by the Department's deadline which is expected to be September 30, 2017 whichever is earlier.

EFC changes and changes on Title IV awards: Students making changes to their data as a result of the verification process that resulted in a change to the EFC or a change to the Title IV awards would be notified by the school via a revised award letter. The method used by the institution to deliver the first award letter will be used for subsequent notifications.

Failure to submit documentation: From the time the student is selected for verification By the Department or by the school, the student that fails to complete the verification process will lose his/her eligibility for Title IV funds. If the student received aid prior to being selected, that aid remains as an eligible disbursement. Once selected on a subsequent ISIR, all future disbursements will depend in the completion of the verification process. Referring students to the Office of Inspector General (OIG). The institution has an obligation to refer certain cases where the institution believed that intentional fraud seems to have taken place to the Office of the Inspector General (OIG). Those cases would be followed up by OIG as appropriate.

TIME PERIOD FOR PROVIDING DOCUMENTATION:

Applicants must provide the required documentation within 120 days from the last day of attendance or September 30, 2017, whichever is earlier.

APPLICANT RESPONSIBILITIES: To be eligible to receive Title IV funds, we require applicants to provide requested information during the time period(s) specified in these policies. Applicants must certify that the following data items are correct as listed on the original application; or, if not correct, must update the data items, as of the date of verification:

* Number of family members in the household

* Number of family members in the household now enrolled as at least half-time students on postsecondary institutions.

* Change in dependency status. Federal aid applicants of any Federal Student Aid program, whose dependency status changes during the Award Year must file a correction application. This process does not apply if the change occurs due to marriage. However, if the institutional FAO determines that, an update due to marriage is required to better represent the students' ability to pay for college, the data must be updated changing all applicable elements on the FAFSA.

CONSEQUENCES OF FAILURE TO PROVIDE DOCUMENTATION WITHIN THE SPECIFIED TIME PERIOD(S): If the student cannot provide all required documentation within 120 days from the ISIR processed date or by September 30, 2017, whichever is the earlier, the school cannot complete the verification process. The school would advise the applicants via regular mail or by email, that the student is no longer eligible for the preliminary financial aid awards offered to the student. The school then gives the applicants the following options: The student may continue training on a cash payment basis. The student may withdraw, or The student may make other financial arrangements to cover the school cost.

INTERIM DISBURSEMENTS: The school may not make any interim disbursements. The student must complete verification before disbursement of any Title IV funds.

TOLERANCES: Any discrepancy greater than \$25.00 MUST be resolved.

NOTIFICATION OF RESULTS OF VERIFICATION: The school shall notify the applicant of the results of the verification process within 30 days of the student's submission. The notification will take place using a new, if changed, award letter stating the awards by aid program amounts and expected disbursement dates. On this document the student and the parent has an opportunity to cancel all or part of the award from any loan program.

REFERRAL PROCEDURE: The school shall forward to the Secretary of Education, a referral of discovered fraud cases.

The student has the right to ask the school:

- The name of its accrediting and licensing organizations.
- About its programs; laboratory, and other physical facilities; and its faculty.
- What the cost of attending is and the policy on refunds to students who drop out.
- What financial assistance is available: including information on all federal, state, local, private and institutional financial aid programs.
- What the procedures and deadlines are for submitting application for each available financial aid program.
- How it selects financial aid recipients.
- How it determines financial need.
- How much of your financial need, as determined by the school, has been met.
- To explain each type and amount of assistance in your financial aid package.
- What the interest rate is on any student loan you have, the total amount you must repay, when you must start repaying, and what cancellation or deferment (postponement) provisions apply.
- To reconsider your aid package, if you believe a mistake has been made, or if your enrollment or financial circumstances have changed.
- How the school determines whether you are making satisfactory progress and what happens if you are not.
- What special facilities and services are available to the handicapped?

It is the student's responsibility to:

- Review and consider all the information about the school program before enrolling.
- Pay special attention to the application for student financial aid, complete it accurately, and submit it on time to the right place. Errors can delay or prevent your receiving aid.
- Know and comply with all deadlines for applying and reapplying for aid.
- Provide all documentation, corrections, and/or new information requested by either the financial aid officer or the agency to which you submitted the application.
- Notify the school of any information that has changed since you applied.
- Read, understand, and keep copies of all forms you are asked to sign.
- Repay any student loan. When you sign a promissory note, you are agreeing to repay your loan.
- Request an exit interview at the time you are leaving the school to determine the net balance of your account with the school as well as the net balance of any student loan.
- Notify the school of a change in your name, address, phone number, or attendance status (full/part-time student). If you have student loans, you must notify your lender of these changes.
- Understand your school's refund policy.
- Understand and comply with the enrollment status, financial charges, financial terms, time allowed to complete, refund policy and termination procedures as specified in the enrollment contract you will be asked to sign.
- Understand that it is your responsibility and your liability when errors are made and funds for which you are not eligible or are advanced to you or credited to your school account.

Notification of Rights under FERPA for Postsecondary Institutions

A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
